

Join us for the ISPE-CaSA

Education Seminar Series at

December 14th, 2017 | 4:00-7:00pm

LeAnna Pearson-Marcum, Project Manager, BW Design Group

Talk Title: Data Integrity- From Start to Finish, How to Achieve and Maintain Compliance

LeAnna has 12 years of experience in the biopharmaceutical arena that includes, project management, data integrity, auditing, mitigation, and equipment/instrument validation. Mrs. Pearson-Marcum currently works directly with Design Group Clients providing Project Management and leading a team for a Global Data Integrity Project. She currently serves as Treasurer for the ISPE CaSA Executive board of Directors.

Joe DePrinzio, Gulf States Regional Sales Manager, GEMU Valves

Talk Title: Automated Single Use Technology

Joe has more than 12 years in successful account and sales management within both the industrial and pharmaceutical industries. He currently serves as the regional sales manager for GEMU valves.

Alicia Eddings, Project Manager, BW Design Group

Talk Title: Applying GAMP 5 to the Real-World

Alicia brings to BW Design Group nearly 20 years of regulatory experience in the life sciences industry. She is adept at interpreting and applying regulatory requirements and expectations based on extensive knowledge of FDA GLP, GMP, GCP, QSR, Part 11, and Annex 11 as well as GAMP 5 and multiple ISO Standards and ICH Guidelines. She is experienced in developing and improving Quality Management Systems, leading internal QMS audits, external vendor audits, and providing compliance guidance during regulatory submissions to the FDA and EMEA both before and after pre-approval inspections.
