

**2022 EDUCATION
PARTNERSHIP PROGRAM**
from
ISPE-CaSA Education Committee

Support from industry partners is crucial to the success of ISPE-CaSA education events. These events serve as a platform for collaboration of best practices among peers, as well as a conduit to deliver emerging industry knowledge. ISPE-CaSA is offering an opportunity to become a valued partner for the 2022 program year. Benefits of becoming a partner include:

- **Education** and career development for employees and clients
- **Networking** with industry leaders
- **Marketing** your organization through social media and visibility at Chapter Education Events
- **Influencing** young professionals, peers, and students
- **Community Outreach** to generously support the people and companies of our biotechnology community

We have a variety of partnership opportunities and hope that you might consider one of the options below:
